

# VERTEX planter

## ACCESSORIES

Vertex planters can be manufactured and supplied to include a range of optional accessories. Planters can incorporate; adjustable feet, tree anchor fittings, base skirtings, watering systems and a range of bench seating.

### Adjustable feet

Vertex planters can be manufactured with optional adjustable feet to allow the planter to be height adjusted to ensure that the top of the planter is level. The adjustable feet, allow the planter to be levelled after relocation. See separate page for Adjustable Feet details.

### Watering system

Vertex planters can be supplied with a choice of 2 watering systems. Street Design can supply either a reservoir system, with filler pipe or the Mona, subterranean tank system. See separate page for Watering System details.

### LED lighting

Street Design can manufacture the Vertex planter to accommodate your LED lighting fittings. If you can provide us with the details required for the fittings then we will include this during the manufacture of the product. It is easier to do this in the factory rather than having to carry out this work on site.

### Tree anchor fittings

Vertex planters can be fitted with internal tree anchor points. They can be fitted at the bottom of the planter to help support the root ball and they can be fitted at the top of the planter to help provide support for the tree.

The tree anchors are manufactured from 4mm thick folded aluminium sheet. They have a punched slot to accommodate an eye bolt or anchor fixing.

### Bench seating

Integral planter benches, with or without armrests, can be supplied with Vertex planters. As standard 2 bench designs are available. Other designs can be included upon request. The Bexley bench consists of 4 no. 70x45mm timber slats and the Henley bench has 2 no. 145x45mm wide bench slats. The timber slatted benches bolt onto galvanised mild steel brackets, attached to the planter sides. Benches can be fitted to 1, 2, 3 or 4 sides to suit your requirements. The choice of material and finish is the same as for the planter. As standard the brackets will have a galvanised finish. As an optional extra, they can be polyester powder coated.

Optional Henley planter benches in natural finish FSC iroko hardwood

Optional Bexley planter benches in natural finish FSC iroko hardwood

Optional Mona watering system
